SUMMARY

I am Eluwade Peter Toluwanimi, a versatile and creative digital professional with expertise as a Front-End Developer, Graphics Designer, Social Media Manager, and Blog Content Creator. With a strong foundation in web design, visual communication, and online engagement strategies, I specialize in building responsive websites, crafting eye-catching designs, managing blogs, and handling social media pages for increased visibility and growth. I am passionate about delivering high-quality work that aligns with brand goals while staying up-to-date with modern trends in tech and digital media.
